10 Cents A Copy

GRANT DECLARATION. The Warren County Development Association was given a grant declaration last Friday from the state Department of Commerce which provides a total of \$4,269 for use by the organization in its industrial development projects.

The presentation was made by Eric Jones, director, Bureau of Industrial Development, Department of Commerce, in a ceremony attended by Development Association members, Chamber of Commerce officials, borough and county

leaders.

The sum of money now available to the Association comes from the Pennsylvania Industrial Development Assistance Act and a matching amount of local money is necessary to be eligible for the state funds. Last year the Association raised \$8,000 throughout the county so that it could apply for the state allocation.

A survey is also underway at the present time by the Arthur D. Little firm of Mass. for preparation of feasibility reports to identify the

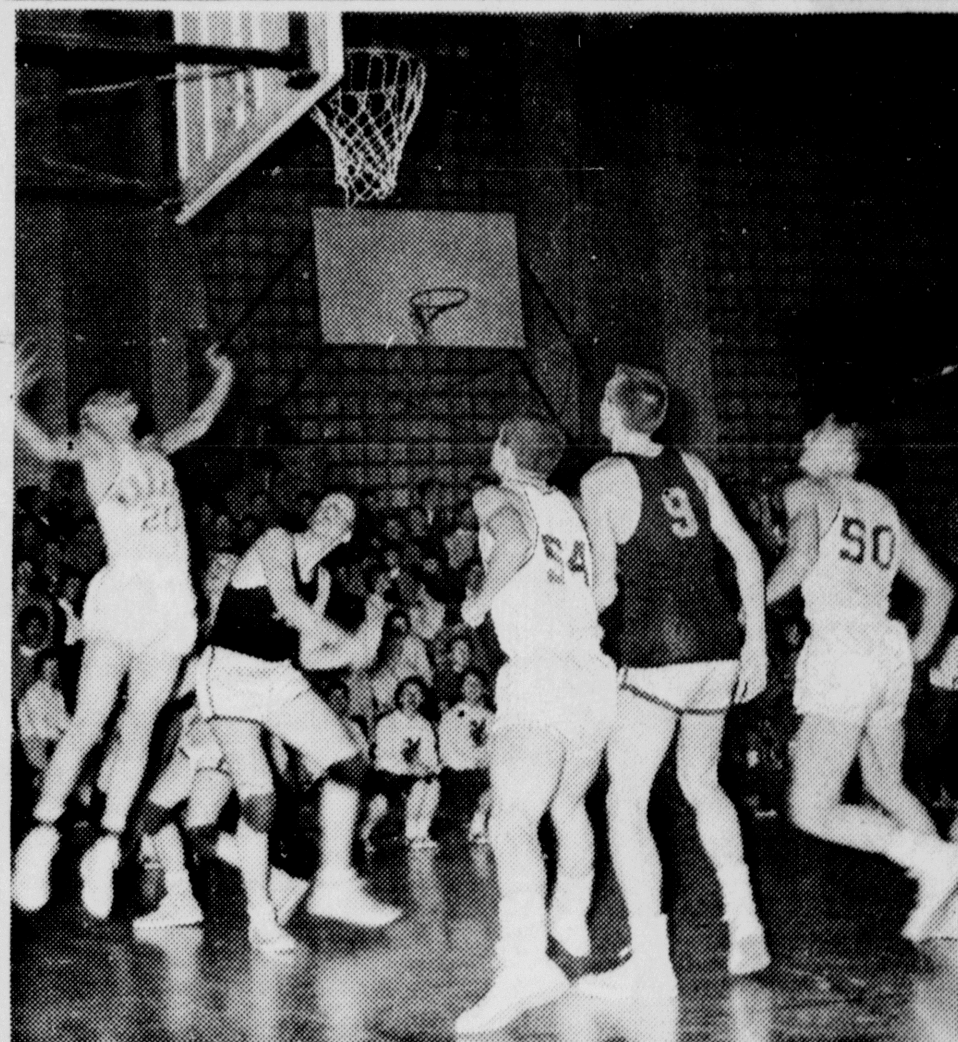

specific types of industry best suited to the resources of the area and which are most likely to promote its orderly economic growth.

Among those present for the ceremony Friday were (l. to r.) seated—Mr. Jones, and Robert O. Wilder, Association president; standing—Allen M. Gibson, state assemblyman; Lewis Crippen, county commissioner; Mel Blair, state Development Association office in Erie; and Warren Deem, of the Arthur D. Little firm.

ON TELEVISION. The president of Sunray Products Corp. of Warren, Stuart Nelson (r.), is pictured as he was being interviewed in New York last week for Drew Pearson's (l.) "New Horizon" television program. The TV program originates in New York on January 18 and will then be shown over several stations throughout the country, including WSEE-TV in Erie.

Inside find more details and pictures about local industry on TV.

THIS TWO-POINTER by Nicky Creola (20) helped in the Dragons' 68-56 Section Two victory over Franklin last Friday night.

Other Warren cagers moving for a possible rebound are Don McKelvy (54) and Nick Monroe (50).

FIRST TIMERS who visited the Beatty Ice Rink recently were little tots (l. to r.) Laurie and Elisa Tranter.

They are with their mother, Mrs. Charles Tranter, and other youngsters who have been enjoying the rink.

THE BLOODMOBILE IS COMING

ICE SKATING on Beatty rink is a new experience for Miss Vilumin Benedicto, of La Carlota, Philippine Islands, Warren high school's exchange student this year.

She is enjoying the sport with Beth Francis (l.) and Pat Ross (r.). The young visitor resides at the Richard Ross home in North Warren.

1200TH BOY MEMBER. William Wilkins, Russell, is the 1200th boy member of the Chief Cornplanter Council, Boy Scouts of America. He is shown being presented his handbook by council president Clifford Betts, while Alice Sheckler, manager of the Scout department of Printz's, places a neckerchief around his neck. Printz's awarded the 1200th boy a complete outfit, and he will receive a certificate for a week's stay at Camp Olmsted at the Recognition dinner January 27. Scout Executive Elmer Morgan, also pictured, has stated the council ended 1957 with 1207 members, an all-time high. (Photo by Kofod)

Generals Do Not Die; They Just Refuse To Lie

By Doris Fleeson

WASHINGTON -- The Defense Department is making some very curious moves with respect to the service officers who are called as witnesses by the Senate Preparedness Subcommittee and put under oath to tell the truth, the whole truth and nothing but the truth.

The dilemma is an old one, of course. The officers must not lie to the Congress; yet when they expose their differences they often appear to be in opposition to their Commander-in-Chief, the President of the United States.

It is perhaps more of a problem now, when the President is a career military man and therefore almost bound to experience an unusually keen emotional reaction to such a situation. That he has on past occasions been extremely emotional about service testimony before Congress is well known.

Right now, two officers considered by their respective services to be among their best and most dedicated brains are featured in incidents about which there is much sober comment here.

One is already lost to the Pentagon at this critical time: Lieut. Gen. James M. Gavin, chief of Army research and development. After blunt testimony before the Preparedness Subcommittee, he said it did not help a man to be "frank and straightforward" in testifying before Congressional committees and that he had decided to retire.

At this point Secretary of the Army Wilber M. Brucker moved in a manner precisely calculated to force any man of honor to go through with that retirement. Brucker publicly offered Gavin a fourth star and a choice of two major Army assignments if he would continue the brilliant career begun as a private in 1924.

The Army Secretary is not viewed here as offering competition to J. Robert Oppenheimer in the cerebral department and his public utterances have frequently lacked taste. But it is not considered that this remarkable performance was the purely accidental reflex of a thoughtless man. The reverse is true.

Senators close to the situation are satisfied that Brucker's was a planned maneuver designed to force Gavin to retire. They know of their own knowledge that Gavin considered remaining on Brucker's terms until a friend pointed out to him the impossible position in which he would find himself.

The Capitol grapevine goes further. It describes Eisenhower as ordering Brucker to "get Gavin." There is no evidence whatever that this is true. There is equally no evidence that any private, discreet effort to save face on all sides but retain Gavin's services was undertaken.

This week-end finds a key Air Force figure, Maj. Gen. Bernard A. Schriever, head of its ballistic missile program, moving up to the firing line. General Schriever, under oath, testified that he regarded the Defense Department's space arms board as a costly duplication of work already performed in this field.

The President had praised the agency in his State of the Union message as an example of improved organization. The contrast between the Eisenhower-Schriever views is being headlined as part of "a generals' revolt."

For a few hours the Defense Department attempted to say that it had not cleared Schriever's testimony for publication, that the Air Force had done it. Defense Secretary McElroy at first called it a "mix-up," but after personal investigation said Defense did clear it after all.

It seems at least possible that the Defense Department, after seeing the headlines, preferred to have the President irked at Schriever for testifying rather than irked at Defense for releasing the testimony.

Observations

By Bob Walsh

EVER THUS

Bradford has faced down the visitors and is about to start collecting from a wage tax. When the tax was first proposed and passed first reading the usual audience was present, some of whom made an effort to knock it down. And there were the usual loud voices from those who did not live in Bradford. But one speaker made good sense. He brought out the growing hardship of other taxes, such as real estate, against those living on pensions and social security. They would escape the earned income tax.

In Bradford the one per cent levy is expected to yield about \$184,000. The Bradford budget is \$778,671.

The pattern in Bradford follows the usual trend. The fairest of taxes never receives much audible support. But the unfairness not only is unopposed, but often is supported. There were those at the Bradford meeting who actually suggested a one hundred per cent increase in the per capita tax, the most unfair levy you can name under Pennsylvania law. And others suggested that real estate taxes be increased fifty per cent!

It requires strong leadership to have the courage for practical legislating when so many of the citizens are afflicted with myopia.

RELATIVES AND BATHING

The size of your tax in this state very often is not determined by the fatness of your income. It is more apt to be how luxurious are your habits, or the number of cousins in the family.

Under the law as it now stands we spend thousands of dollars to arrive at fair valuations for all homes. The better this is done the more unfair may become the tax.

You may have two aunts in Peoria and three uncles in Brooklyn and you can't blame any of them if their major form of pleasure is to escape from their plight and visit their lucky nephew in Warren county. And they probably do. To accommodate them you build an extra bedroom.

I who have no unlucky aunts or uncles seldom are visited with such a plague and my home has one less room than yours, even though our incomes are the same.

But your house will be evaluated two or three thousand dollars higher than mine, not because of your income, but because of your relatives.

Now if you have one aunt with a wooden leg who can't climb stairs you may find it best to add a down-

stairs bath. So, again, we find your valuation going up, not because of your ability to pay, but because you don't enjoy lugging thundermugs up and down stairs.

THE ANSWER?

We suggest that the answer is a revised constitution that will make practical taxation possible in this state. If real estate must be taxed, and we are certain that there always will be those who will insist that it must, it should be done on a broad classification basis.

We see no reason why neighbors whose incomes vary little, but whose homes may range from \$8,000 to \$12,000 in value, pay extremely different tax amounts. All are enjoying the same community benefits.

ALSO ANTIQUE

The recent series of efforts by the Warren county commissioners to effect economies in the county government reveal much that is costly and unnecessary. The philosophy of many politicians that they must be paid high salaries while in office in order to make it worth their time is an expensive method of not assuring efficient government.

Why is it necessary to elect so many officials for county government when it is not done for school boards and for borough government? With few, if any, exceptions county offices could be run more efficiently on an appointive basis, and the efficiency would greatly increase if all such appointments were under civil service.

The sums handled by the Warren area school board are much larger than those of the county, yet we do not elect officials to handle the money. The unpaid directors name the officials who carry out this work, and at comparably low salaries. Warren borough has eighteen councilmen who serve without pay. They name their solicitor, street commissioner, park superintendent, chief of police, fire chief, and pay a treasurer \$100 a year. The money handled tops a half million dollars.

County government in Pennsylvania is costing the taxpayers millions of unnecessary dollars. In fact, county government is a tax yoke around the necks of most citizens of this nation.

It is one of the last of the lush political patronage dishes in the country, and nothing will be done about it as long as politicians run the show. It will require an enlightened public through a candid press and possibly with the help of taxpayer organizations to demand and effect a change.

We believe that economy and efficiency would be enhanced in Pennsylvania and in the nation by the elimination of county government as we know it, and through the establishment of area governments that would be sensitive to the local problems, and would consolidate many offices, combine a few, and make such employment a career for capable help.

They conquer who believe they can. He has not learned the lesson of life who does not each day surmount a fear.

BUYERS' CORNER

GAS OR ELECTRICITY

The gas industry this past week hit the nation's editors with a release that places gas in a very good light when compared with electricity as a means of serving homes with heat, air conditioning, water heating and cooling, cooking, and related household advantages.

According to the report a survey has been made by H. Zinder and Associates, Inc., of Washington, which should provide a measure for those faced with a choice between gas and electricity, as is the government which must construct housing for armed forces personnel. The study involved a proposed 1000-unit housing development, of which 700 would be two-bedroom houses and 300 would have three bedrooms.

The wholesale rates assumed in the computation were 2.5 cents per therm for gas, \$1 per kilowatt demand, and 75 cents per kilowatt hour for energy for electricity, and 12 cents per 1,000 gallons for water. The comparisons came out as follows:

If only gas were used for cooking, water heating, space heating, and summer cooling, the annual cost would be \$83,050.

If electricity were substituted for air conditioning the annual utility cost would jump to \$99,985.

If electricity were used for all purposes the annual cost would ram skyward to \$239,793.

In addition the Zinder report computed costs for such a housing project in 35 communities. The cost of an all-gas plan ranged from \$73,147 in Shreveport, La., to \$253,333 in Worcester, Mass. Electricity went as low as \$210,908 in Dallas, Texas, to \$393,577 in Worcester.

The study went a step further. It isolated the various services and made comparative costs. It figured that the cost of cooking in the 1000 homes would be \$3,260 a year if it were done with gas. It would be \$21,182 if done with electricity.

Water could be heated for a year by gas for \$6,795. By electricity for \$55,535.

Air conditioning would be \$25,820 a year by gas, and \$49,577 by electricity.

The American Gas Association release admitted that in one town of the thirty-five studied the all-electric plan was lower than the all-gas. But it didn't reveal what town it was.

We would like to know. Wonder if it were near the TVA which the present Washington administration tried to put out of business?

We now anticipate an answer from those who make their living selling electric current.

GOOD INVESTMENT

If American car makers sell many cars this year aluminum stock should be a good investment. Use of this metal in American cars has jumped 29 per cent above last year. The average is now 52.40 pounds per car.

This means that 288 million pounds will be used in 1958 cars if 5.5 million are sold. A big question to us.

Back in 1939 the cars averaged only 5 pounds of aluminum. In 1948 it had increased to 12 pounds.

Of the millions now used, 50 million pounds go into trim, including vari-colored anodized aluminum for interior door panel trim.

The largest percentage of the metal goes into automatic transmissions, which account for 19.75 pounds per car. Engine parts use 16.78 per car. The rest is in power brakes, steering, and miscellaneous parts. But you also will find aluminum thread in the upholstery and a million pounds of aluminum powder in the finish.

Use of aluminum is a big weight saver, as it tips the scale finger about a third as much as most other metals. And you add about six pounds more per car during the year for replacement parts.

Biggest user of aluminum is the Cadillac brougham which has aluminum wheels and bumpers and eats up 305 pounds of the metal. A new-

VALONE & CO.

220 Pa. Ave., W. Phone 633 Warren, Pa.

comer in this respect is the Buick Roadmaster with 117 pounds of aluminum, of which 43.5 pounds is in the transmission.

Chrysler leads the American auto industry in per-car average of aluminum use. It averages 75 pounds per car. The new Edsel has 55 pounds. The smallest user is Studebaker with 24.9 pounds, though the Hawk model has 61.25 pounds.

QUICKIES

THE WARREN and Pittsburgh auto shows will compete. Pittsburgh's runs from January 18 to 24, Warren's is January 24 and 25... BEEF WILL go up this year, if supply means anything. And pork should come down late in 1958. Treat your deep freeze accordingly. TOO MUCH BLUING gives you gray instead of white. Read the directions. And the white which comes from detergents is a fluorescent dye... BUY COLORED THINGS to be fast according to use. If they will be washed much, buy them for fastness to washing. If they will be exposed to bright light, such as draperies, buy them fast to sunlight.

In Brief

LOSES EYE. Richard Elslager, 22-year-old Youngsville man who was shot in the head during a jail break New Year's night, had his left eye removed by surgery in Warren General Hospital Tuesday morning.

The area man was confined to Warren County jail on charges of burglarizing the Pine Woods restaurant and on two larceny accounts. He has now been served with papers for prison breach and for assaulting an officer.

Two companions, Calvin Marsh, 19, and Donald Emerson, 20, both of Titusville, were arraigned Saturday and pleaded guilty to prison breach charges. All three were apprehended within an hour after their New Year's break.

Earlier the trio had been given suspended sentences and were awaiting extradition action which would have sent them to New York state where they are wanted for armed robbery.

A fourth member of the gang, Arthur Gilliland, 18, Oil City, who was only charged with the Pine Woods burglary, changed his plea last week and Friday received a six month to three year sentence in Allegheny County Workhouse when he appeared in court.

THE CONTRACT for making additions and alterations to the Jefferson Pavillon at Warren General Hospital has been awarded to Beyer Construction Co. of Warren. The board of directors accepted the \$170,675 bid at a special meeting last Thursday.

Work to change the pavillon into a chronic illness and rehabilitation center is expected to start in the near future. The contract calls for completion within 180 days.

Other contracts awarded by the directors were to the Automatic Sprinkler Co. of America and the Swart Elevator Co. of Erie. With a sprinkler system, elevator, and furnishings the project is expected to cost about \$214,000 in all.

SENTENCES handed down at quarter Session court at the Warren County Court House Friday included the following: Harry Brinkley, driving during license suspension, costs, \$100 fine; Eugene Unger, driving while intoxicated, costs, \$100 fine, three days in jail; Lawrence M. Jewell, larceny, suspended one to two year jail sentence, costs and orders to make restitution.

The next Quarter Sessions court will be held January 24. Divorce court is scheduled for January 21-22 and Argument on January 23.

ONE AND TWO. Lyle A. Westfall, 31, of Star Route, Irvine, experienced two accidents in as many hours Monday afternoon and finally ended up in Warren General Hospital suffering from a broken arm and cuts about the body.

At 12 p.m. he was involved in a two-car mishap at the high board fence on Route 6 above North Warren, where a sideswipe occurred with a car operated by Leon Baran, of Jamestown, N. Y. Damage amounted to about \$500.

Two hours later Westfall completely demolished his vehicle when it left the highway at the Lilly Pond railroad crossing near Starbrick.

FOUR ACCIDENTS investigated by borough police between Friday and Tuesday resulted in the same number of arrests.

Henry L. Wenzel, North Warren, was pinched Friday for failing to give the proper signal when he pulled from a Pennsylvania ave. parking space and struck a passing car operated by Elton Atwell, R.D. 1, Clarendon. Only minor damage resulted.

A too fast for conditions charge was made against Sarah L. Swick, 401 E. Fifth st. after she hit the rear of a stopped auto driven by Alice E. Albaugh, 625 Prospect st., on Conewango ave. at 12:15 p.m. Sunday.

A similar count was made on James E. Parker, 9 Lawn ave., following a three-car mix-up on W. Fifth ave., at 8:03 a.m. Tuesday. Parker, proceeding east, started around the parked car of Andrew J. Donick, 311 W. Fifth ave., and skidded into an approaching car driven by George W. Spangler, 104 Division st. The impact then drove the Parker vehicle back into Donick's. Total damage was said to be \$375.

A traffic light violation was slapped on Judy Gallagher, Detroit, Mich., after she crashed the signal at the Pennsylvania ave.-Hickory st. intersection and was struck in the rear by Odessa J. Ward, North Warren. Approximately \$200 damage was caused.

ELECTED DIRECTORS at the Warren National Bank stockholders meeting Tuesday were C. J. Crary, John L. Blair, D. C. Smith, Allen M. Gibson, Nels Anderson, K. M. Andrews, W. M. Cashman, Walter F. Swanson, A. L. Rasmussen, E. T. Lundahl, J. S. Beckley, Robert Y. Kopf, D. S. Mervine, N. D. Paterson, H. W. Conarro, John W. Moll, J. L. Blair, Jr., and W. F. Crossett.

Head officers chosen were C. J. Crary, chairman of the board; A. L. Rasmussen, president; D. C. Smith, Allen M. Gibson, N. D. Paterson, vice presidents; E. T. Lundahl, vice president and secretary; James C. Torrance, cashier; Edward C. Rasmussen, trust officer; A. Harold Bengtson, C. Robert Gustafson, James A. Foreman, R. K. Cyphert and Arthur L. Langdon, branch bank managers.

A NEW DIVISION -- Flood Protection -- has been added to the Warren County Civil Defense program. The director is Kenneth B. Graham.

THE MARCH OF DIMES 1958 polio fund drive is again being conducted in Warren County this year by the Warren Zonta Club. Co-chairmen Mrs. Leota Clark and Miss Estelle Roswell are building the January campaign around the theme "Survival is not enough".

The Warren Zontians hope Warren County residents will contribute generously to the March of Dimes and asked that checks be sent to Mrs. Agnes Mong, treasurer, March of Dimes, post office box 484, Warren.

KOFOD STUDIO is moving effective February 1 from its location in the 200 block of Pennsylvania ave., W., to the former Haines home in the 100 block.

RED CROSS BLOODMOBILE visits Warren at local headquarters Wednesday, January 22. Give, won't you?

J. A. JOHNSON, whose retirement from business was announced last week, has retained H. B. Petit to handle the merchandise sale now being conducted at his downtown location. Mr. Petit is a retired manager of the J. C. Penny's store in Warren.

TAX RETURNS DUE. The Warren County Commissioners' office has advised that the county personal property tax returns are due and should be given attention and completed not later than February 15. All stock and bond valuations are to be based on the closing market prices of December 31, 1957. Mort-

ON STRIKE. One-hundred and forty-five members of DeLuxe Furniture Co. UE Local 63 are on strike (or lock-out?).

The union's contract terminated January 10, and while negotiations were carried on prior to that time no settlement has been reached.

Work in the plant had continued until Tuesday. It was at that time the union charged the company with refusing to allow employees to work and marked it a lock-out.

A company official, however, denied the charge and stated any man could return to his job when he wanted--the doors were open. He accused the workers of plant stoppages, which started Monday morning, and on Tuesday the employees were told to put in a full day's work or go home.

Mediators, company and union officials will meet at 11 a.m. this Friday in an effort to settle the dispute.

gages, judgments, promissory notes, articles of agreement, and contracts bearing interest are based on the unpaid balance as of January 1, 1958. All investment securities, mutual funds and trusts, and all other financial services are generally taxable.

To avoid any penalty all taxables should bring or mail their returns direct to the Personal Property Tax office in the court house by no later than February 15th date mentioned.

Any person missed or in need of additional blanks may receive them at a local bank and the court house (phone 1405).

PERSONALITIES. Attorneys J. H. Goldstein and R. Pierson Eaton have been named to represent the Warren-Forest County Bar Association at the State Bar convention in Harrisburg the end of this month.

The 1958 slate of officers just elected by Warren State Hospital Local 469, American Federation of State, County and Municipal Employees, consists of Raymond Anderson, reelection president; Tom Warr, vice president; Henry Swineford, recording secretary; Pete Scalise, financial secretary; Charles Hagan, trustee three years; Kenneth Fahner, trustee two years.

MEN IN SERVICE. Marine Cpl. John Kostakas, son of Mr. and Mrs. Stephen R. Kostakas, Irvine, is serving at the El Toro Marine Corps Air Station, Santa Ana, Calif.

JOINT COMMITTEE APPROVES LAND APPRAISALS ON NEW SCHOOL SITE

Appraisals of lands on the so-called Swick site which will be used for the construction of a new high school were approved by the joint committee of the Warren Area Jr. School Board Monday night and the solicitor was authorized to make offers to the property owners.

The solicitor was also instructed to make application for sewer plans.

In other new school talk the Erie architects for the new building were requested to submit a room schedule for planning of the building and to draw plans for test borings and put them out for bid.

The committee authorized inclusion of the first payment for the new school in this year's budget. The tentative estimated annual rental has been set at \$192,366.60.

The minimum salary for teachers was raised \$200 to \$3,700 and, except for those who have reached the maximum, a \$400 increment was granted. This boost, which is for 1958-59, makes the maximum with a bachelor's degree \$5,700 and with a master's degree \$6,100.

Bills approved by the committee were \$231, special services; \$86 for recreational services; \$190, substitute teachers; \$729, janitors' overtime; \$5,578, cafeteria bills; \$3,364, architectural work on the new building; and \$13,872, bills for the month. The latter figure includes a payment of \$1,066 to the Warren Public Library and over \$7,000 to the state for social security (a majority of this being withheld from salaries).

Also approved was 350 hours of supervision at the Youth Canteen for Friday evening programs. There is no state reimbursement for this to the joint committee and adds up to a cost of \$700.

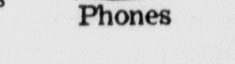

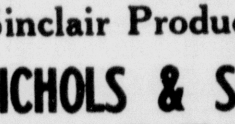

It was reported that Scott Mohr, a senior, had been designated a finalist in the National Honor Society qualifying test out of 1,401. Originally 54,865 students took the test.

The Mead twp. board announced the resignation of Ardell Saylor and election of Norman Grosch. The

step was taken to give the single vote to one person.

Robert R. Young's resignation as high school social studies teacher was accepted. He had served in the Warren school for the past 46 years. Elected to replace him was Leroy Peck, who has been on a leave of absence.

How Long Will Our World Last?

By Marquis Childs

WASHINGTON. -- While President Eisenhower's reply to the Bulgarian note suggested that nuclear testing be stopped, not for two or three years but "indefinitely," whether there is any real conviction on either side of the great East-West divide that the tests can be brought to an end at any foreseeable date is highly doubtful.

The tests are part and parcel of the race that has seen first one power bloc and then the other in the lead. The current thesis is that the United States must quickly catch up in the rockets and missiles contest before any serious consideration can be given to suspending the tests. This is a real block to any serious negotiation with the Soviets.

But among some observers who have followed the race at close range the fear is great that unless positive steps toward peace can be taken this year, it will be impossible to halt the contest. And like all arms races, despite the professions from both sides that the objective is solely defense, the end is almost certain to be war. The odds are that this would be nuclear war, limited at the outset but unlimited before it was ended.

The Atomic Energy Commission is holding a series of tests in May to perfect tactical nuclear weapons. From the Pentagon the word is that these tests are essential to America's security.

Beyond this are the tests -- two to three years distant -- of any anti-missile now in the development stage. This is the defensive weapon that theoretically will knock down ICBMs with hydrogen warheads before they reach their targets in this country. It is billed as

the ultimate defensive weapon, just as the ICBM is the ultimate offensive weapon.

Even if the United States were prepared to stop testing, the British are insistent that they must have more tests to perfect their weapons series. In the not too distant future the French will have nuclear raw material for weapons and they will be determined to test. The Soviets have held one series of tests after another, including a recent one in which hydrogen bombs were exploded with a high degree of fallout.

In April of 1956 Adlai Stevenson, speaking before the American Society of Newspaper Editors, called for an end of further tests of the hydrogen bomb, saying that he questioned as a layman "the sense in multiplying and enlarging weapons of a destructive power almost incomprehensible." He added that he would call on other nations "to follow our lead, and if they don't and persist in further tests, we will know about it and we can reconsider our policy."

Taking up the plea for an end of tests in the campaign that fall, he was accused of being willing to disarm the United States without regard to what the Soviet Union might do. President Eisenhower and other campaigners roundly attacked him for his proposal on the tests.

In sober retrospect, however, April, 1956, may have been a point of no return insofar as this key element in the arms race is concerned. Stevenson did not mean a unilateral suspension of testing. If such a proposal had been put forward by the government and if the Soviet Union had agreed to it, the next step, as he conceived it, would have been to call for an end to the production of fissionable material. The important thing was to make a start.

Secret tests -- either high in the stratosphere or deep under the earth -- can be conducted despite any control system. The Atomic Energy Commission last September set off a two-kiloton explosion 900 feet underground that produced only a slight recordable shock wave. This is another strong argument against any agreement to end the tests with their resultant worldwide radioactive fallout.

No matter how many reassuring statements the AEC and Chairman Lewis Strauss put out, the fear will persist that the earth is being slowly contaminated, with the incidence of deformity and cancer gradually increasing. And the continuing tests feed another fear -- that the nuclear arms race cannot be brought to a halt short of disaster. The grave question today is how long the world can live under this intolerable tension.

GAMBLER TAKES A PLUNGE — Cesar Romero and Virginia Grey are shown in a scene from "The Honorable Don Charlie Story," the NBC-TV "Wagon Train" full-hour drama of Wednesday, Jan. 22. Romero portrays a smalltown gambler on whose "bachelor status" Miss Grey has designs. They join Ward Bond and Robert Horton, regular stars of the weekly drama series.

Successful Team in TV Adventure Series

Richard Simmons as a mountie and Yukon King, the only male-mute in show business, are an unbeatable pair in WBEN-TV's Sergeant Preston of the Yukon each Thursday evening at 7:30. The adventures, set in Canada's rugged Northwest, are punctuated with thrilling gun battles and hand-to-hand encounters.

1958 AUTO SHOW PREVIEWS FOREIGN CARS

Co-chairman of the 1958 Auto Show, John P. Coen (center) looks over one of the exciting Italian cars to be part of the foreign car lineup in the annual auto exhibit coming to Hunt Armory in Pittsburgh January 18-25 (except Sunday.) Smiling their approval are his daughter, Virginia, and auto racing champion Edward Hugus, who heads the foreign car exhibits.

★ Miscellany ★

RUNNING SCARED? Washington shows signs of having economic jitters. The drastic reduction of the margin allowed to buy stocks which was effected today is a synthetic means of making the market look better. It is not a sign of good business conditions if stock prices rise. It reveals only that many will rush to take advantage of the easier purchase plan while stocks are twenty per cent off their boom level of last summer. ***

NEW INDUSTRY is the target of another Warren county group now being formed. Tidioute citizens held a meeting this week and formed the Tidioute Area Development Corporation. Already they have a \$500 donation to finance early costs while they make preliminary plans.

All of these groups in the various towns, teamed with the Warren County Development Association, should net some area results.

YES, INDEED. . . . Weekly we receive lists of books and pamphlets which are available in the United States Printing Office. Last week we opened up to a folder which was entitled, "Down to Earth Reading". We turned the page and there at the top of the book list was "Development of Rapid Methods of Soaking and Cooking Dry Beans". Yup! ***

THE MAN WHO CAME. By the time a man gets through using all the pre-shave, after-shave, and honeyed deodorants which he received for Christmas he is inclined to smell like the man who came to win her. ***

THOSE WHO OPPOSE the Kinzua dam on the grounds that it will not provide recreational facilities quite obviously do not agree with the Austrians. They are planning a series of fifteen dams to control the waters of the Danube. This would provide one of the biggest sources of power in Europe, developing 14 billion kilowatt hours a year, more than the entire 10 billion now used by Austria.

But that is not all. The Austrians believe the resulting chain of lakes will do much for boating, sailing, bathing, and skating. And Vienna, a city already known for its ability to provide play, considers the three lakes, which will be nearby, a major addition to its recreational assets. ***

AND CERTAINLY, in crowded Austria, someone will have to be moved. ***

SCHOOL WORK COMPARISONS come to us occasionally to reveal that the pupils in our local schools are doing better than the average. Not long ago we received a news release which said that the sixth "graders" in Warren schools had a record in reading and language which was better than similar students in the rest of the nation.

Fifty-seven per cent of them read as well as the usual best 25 per cent. In spelling 36 per cent were in the upper 25 per cent. And English and grammar results were even better, with 42 per cent as good as the upper 25 per cent.

Now the question. What happens to them between there and when they become high school seniors? The results we have seen suggest that we are making comparisons with a poor national average. We suggest a better measure would be to set up high standards and to attain them.

We want the best. Not the national average, which fortunately now is under fire.

The great use of life is to spend it on something that will outlast it. —William James

WARREN OBSERVER

DR. MURRY BANKS, a leading psychologist from New York, will speak on "What to do until the Psychiatrist comes" at the Warren Area Chamber of Commerce 1958 Membership Banquet on February 5.

ASIDES

THE PENELEC apparently is unimpressed by the gas business propaganda, a release of which you will see in this week's Buyers Corner. The Penelec is spending three million dollars this year to improve transmission and distribution facilities in this area.

A power pool of 65 power plants will be provided through line expansion that will extend what is known as the "kilowatt turnpike" north from Shawville to Warren. The line from Warren to Union City will be doubled in its capacity this year, and from there it goes to Erie.

Service also will be improved in Titusville, Garland, Tidioute, Oil City, Franklin, Bradford, Corydon, and other area towns. A voltage change from 7,200 to 12,000 volts is planned for Sheffield, Stoneham, and Kinzua.

Another improvement will be the installation of Cougnard Deionisers, which are intended to reduce damage from lightning, which is one of the major causes of service interruptions.

All of which will revive that old one about competition being a wonderful thing. As for us we are convinced that electricity is the future, and no amount of gas lines will stop it from growing and eventually assuming a larger shade of the energy burden required for modern living.

MORE WORK can be handled by Miss Katherine R. Knapp, executive director of the Family Service and Children's Aid Society. Miss Knapp now is speaking to many groups and organizations throughout the county, explaining the new advantages of the expanded service.

Now that the residents of the area have given so readily to make this service possible they should fully utilize it. One common problem is that of knowing where there is trouble but not knowing how anything can be done. Miss Knapp might be able to supply an answer in such a situation. It will be completely confidential, of course.

And if you are a program chairman, Miss Knapp has a message that everyone should hear. The service is with us. Why not fully understand it....and use it?

THINGS ARE BOOMING....along some lines at least. The Republicans Veterans league is booming Hugh Scott. Now we are receiving reams of boom for James E. Van Zandt, from the Volunteers for Van Zandt. If either is the GOP nominee he will get drubbed.

WANT TO LEARN RUSSIAN?.... A course in Russian language and culture will be taught in the Jamestown Community college, starting February 3. The course will be taught by Mrs. Norman S. Newlove, from 7 to 9:45, Thursday evenings. The first half will be devoted to the language and the second half to Russian civilization.

A NEW INSURANCE approach is being offered by Nationwide Mutual, through its Family Compensation plan. In a two-car accident, all passengers in both cars are offered immediate compensation if either car has this insurance. Such benefits are made available, no matter which driver is at fault.

Those involved still have the right to take legal action in hopes of getting more money, but they can obtain up to \$2900 each for injuries and up to \$7,900 for death if they accept the family plan benefits.

OUR PEACE PROPOSAL.....All nuclear experiments and space searching should be done under international control, possibly through the United Nations, and with the world's scientists working together. All armies would be disbanded. The only armed force in the world would be under the supervision of the United Nations for police purposes.

The resulting savings in dollars would be channeled into international research efforts to improve the health and economy of the world's peoples. And if some major nation would have the courage not only to plead for such a move but also set the example, astounding results might be seen, and peace on earth might finally come.

NOW IT IS OFFICIAL. Warren county has been approved for state help in the amount of \$4,269.80, which will be matched by the Warren County Development Association. A part of this payment will be made to the Association every three months after evidence of expenses and accomplishments are provided.

The Warren county program includes:

Preparation of an economic base survey of Warren county.

A study of industrial feasibility within the county.

Preparation and distribution of a brochure for specific industries adaptable to Warren county resources.

Preparation and distribution of a general brochure for general promotion among industrialists.

A BIG DATE for motoring Pennsylvanians is coming up almost too fast. After January 31 don't drive without a new license and with a car that lacks the latest inspection sticker.

A CREDIT TO STUDENTS attending the Jamestown Community College is the result of a recent education psychological examination for college freshmen. Quantitative reasoning and language ability were measured. The Jamestown students ranked 57 per cent above the scores of 4-year colleges, 61 per cent over all colleges, 74 per cent over teacher's colleges, and 88 per cent higher than junior colleges. The Jamestown score was higher

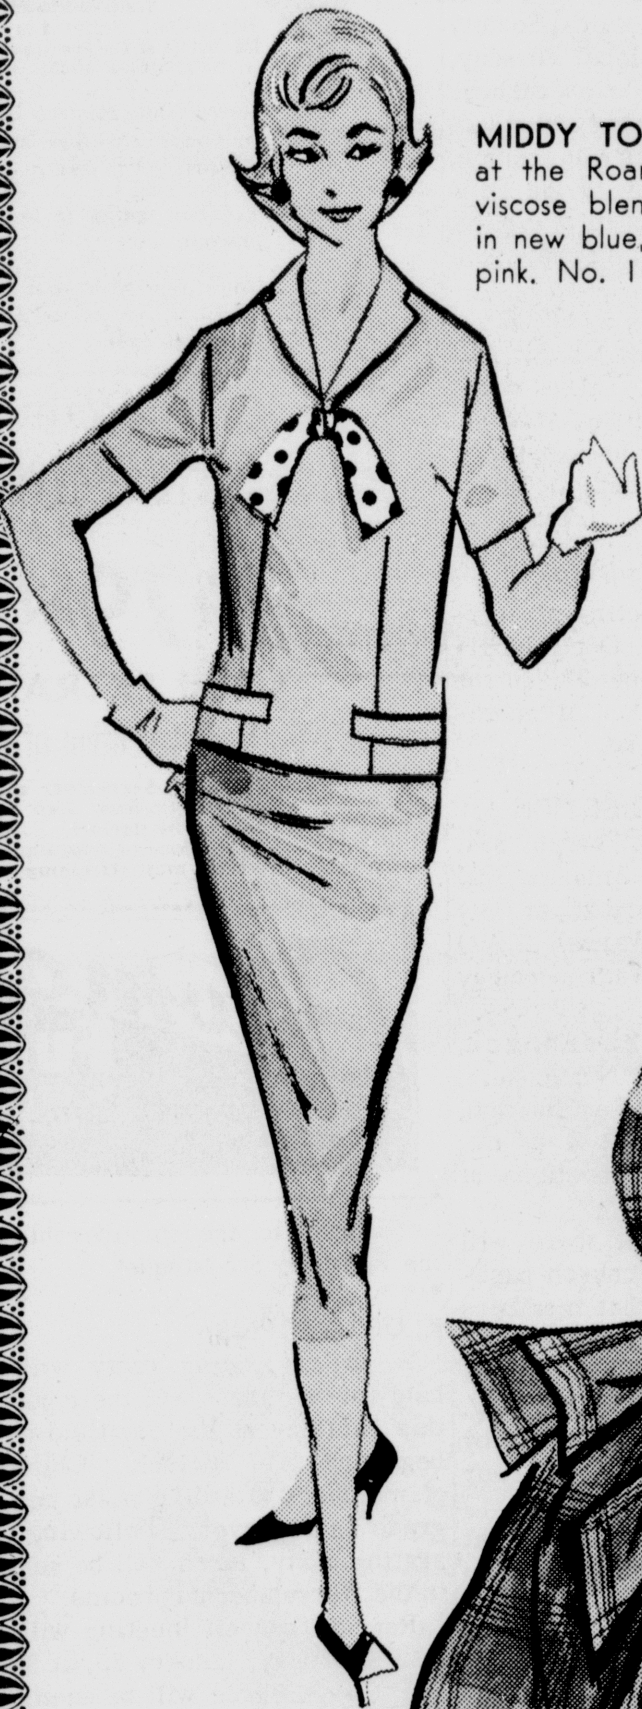

than any other mean score. Not bad results when you learn that 139 of them were competing with 43,348 of the nation's students. One JCC student had a score of 160, which was one point less than the highest in the United States.

The group's mean score was 111, higher than any other, the best of which was the 106.79 of the four-year colleges.

SKATES ARE WANTED at the Children's Home in Warren. Girl shoe skates, size 4, 5, and 8, are lacking. The last two years we have fairly well supplied the boys and girls at the home so that they could use the Beaty ice rink. But now three pairs are needed so that all may enjoy the fun.

We would appreciate it if you would bring the skates to the Observer, or inform us concerning your gift. Not for credit purposes, but so that we will know if the skates have been provided.

Things to Come

PUBLIC EVENTS

ANNUAL AUTO SHOW
sponsored by the 40 et 8 of the American Legion, opens Friday, January 24 and will continue through January 25 at Beaty cafeteria. The hours will be from 7 to 10 p. m. on Friday, and from 2 to 10 p. m. Saturday.

Patrons will enjoy the present look in the automotive industry and will experience a nostalgic glance into the past as they glimpse William Crossett's 1919 Locomobile.

Tickets are available at various locations, also at the door.

NATIONALLY KNOWN
sportscaster for the Cleveland Indians and the Cleveland Browns, Jimmy Dudley, will honor Warren's high school athletes when he appears as guest speaker at the Seniors-Lettermen's banquet Wednesday, January 29. The dinner will be in Beaty cafeteria at 6:30 p. m.

This year marks the 12th consecutive banquet promoted by the Warren Sports Boosters Association to fete Warren's scholastic athletes. All area sportsmen are welcome to attend.

Sale of tickets are restricted to 300, and are available from Milton Dahler, Jack Lutz, Dave Smith, Kermit Forsgren, Neil Culbertson, Dr. Wallace Sedwick, and Harold Johnson.

GENERAL

Y.W.C.A. SCHEDULE

January 16 - 8 p. m., Garden Club.

January 17 - 10 p. m., High school Girls Club slumber party.

January 18 - 7 p. m., Buerkle dance class.

January 20 - 3 p. m., High school Y-Teen cabinet meeting; 6:15, YWCA annual dinner meeting.

January 21 - 3 p. m., 9th grade Y-Teens.

January 22 - 2 p. m., 8th grade Y-Teens; 6:30, Y-Teen basketball practice.

January 23 - 7:45 p. m., Teachers Credit Union.

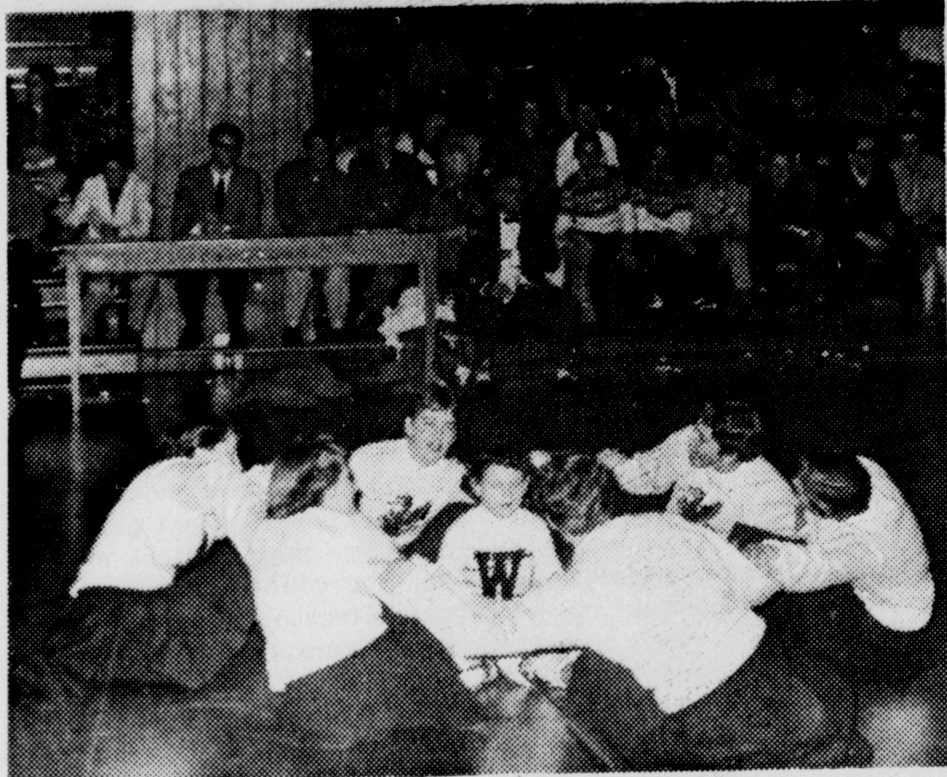

P.T.A. MEETINGS

McClintock PTA will meet in the school auditorium Monday, January 20, at 8 o'clock. Miss Dawn Taft, community youth ambassador, will speak and show slides on her trip to Switzerland.

Jefferson PTA members will gather in the school auditorium at 8 o'clock Monday, January 20. The theme will be "Your Child and Scouting", and there will be a panel discussion.

North Warren PTA meets in the school auditorium Monday, January 20, at 8 o'clock. "Treatment of the Child in Emotional Conflict", by H. S. Lippman will be reviewed by Mrs. Lawrence Sereda.

Irvinedale PTA members will

meet at 8 p. m. Tuesday, January 21, in the school. "The Child and His Future -- What of His Health?" will be the topic for a panel discussion. On the panel will be Dr. Lee Borger, Dr. James Suess, and Mrs. Wilbert Knapp.

Lacy PTA gathers Tuesday, January 21, at 8 o'clock in the school. Dr. Arthur Marceca will talk on "body balance".

"FOR THOSE WHO ARE EXCEPTIONAL" is the title of the color film to be shown members and guests of the Warren County Association for Retarded Children at their 8 o'clock meeting Tuesday, January 21, in the social rooms of the Warren County Dairy.

The public is invited to join with the members in viewing the highly recommended film. It is an excellent presentation of six different programs of special education. It includes programs for the mentally retarded, physically handicapped, deaf, speech defectives, hard of hearing, and the emotionally disturbed. Scenes were taken in thirty different school systems in Illinois.

A PUBLIC CARD PARTY sponsored by St. Joseph's Boy Scout Troop 6 will be held Wednesday, January 22, at 8 o'clock in St. Joseph's school hall. There will be prizes and refreshments.

THE JAMESTOWN BELLRINGERS will appear in St. Paul's Lutheran church, Warren, Sunday, January 19, at 4 p. m. The Bellringers have a colorful program arranged, in addition to special vocal and instrumental solos. The public is welcome to attend.

CHERRY PIE BAKING CONTESTS are being held in the various county schools, with the county bake-offs to be held the last week in January. Warren county contest is scheduled for January 30, and the Forest county cherry dessert contest January 28, at the Pennsylvania Electric Co. demonstration center, Warren.

On February 8th, all the county "champs" will arrive in Erie to compete in the State Cherry Pie Baking Contest held at the Penelec demonstration center.

ARTS AND CRAFTS WORKSHOP sponsored by the Warren County Agriculture Extension Association, will be held at the White Way Drive-In, Starbrick, Friday and Saturday, January 24 and 25th. The hours will be from 9:30 a. m. to 2:30 p. m. Such projects as belts, bola ties, bracelets, pins and earrings will be made, using plastic lacing.

Mr. Cy Vaughn, nationally known handicrafts director of the Pyrotex Company of Leominster, Mass., will conduct the workshop.

LITTLE Jane Washington is the mascot for WHS cheerleaders this year. Forming a circle around the young miss are (clockwise) Linda Whitehill, Marilyn Follett, Barb Johnson, Sue Johnson, Jean Massa and Pat Lanman.

FOR THE LADIES

WOMEN'S AUXILIARY of the Warren County Medical Society will meet at 2 o'clock Tuesday, January 21, at Warren General hospital for hospital sewing and meeting. Following the afternoon session, members will journey to the Penn Laurel Motel for dinner at 6 p. m. Mrs. Merle Donaldson is chairman.

SUSANNAH WESLEY CIRCLE of the First Methodist Church will meet at the home of Mrs. Allen Templeton, 7 Hertzell st., Warren, Monday, January 20, at 8 p. m. If transportation is needed, members may call Mrs. Gilbert Loree.

ELECTION OF OFFICERS will highlight the meeting of Starbrick Volunteer Fire Dept. Auxiliary Tuesday, January 21, in the fire hall at 8 o'clock. All members are urged to attend.

A DAY OF RECOLLECTION sponsored by Court Warren 834, Catholic Daughters of America, will be held Sunday, January 26, at Holy Redeemer church, Warren. All Catholic women of Warren county are invited to attend.

Rev. Charles Fehrenbach, C.S.S.R., P.H.D., of North East, will conduct the Day of Reflection, beginning with Mass at 8 a. m., and continuing with devotions at 12:30 to 4 p. m.

Following devotions, there will be a tea held in the church basement, and in order that members may attend all the devotions, refreshments will be catered. Reservations must be in by Thursday, January 23, and can be made by calling Mrs. Fern Hesch, 2051, or Mrs. Nancy Shaffer, 3365-W.

Announcement has been made that the C. D. of A. communion breakfast will be held April 27. Mrs. Mary DiPierro is chairman, and will announce details later.

BLUE STOCKING CLUB members will meet at the home of Mrs. Beecher M. Rutledge at 2:30 Tuesday, January 21. Mrs. Joseph DeFrees will be guest soloist, accompanied at the piano by Richard Sidey. Mrs. P. S. Tarbox will be hostess.

A DESSERT-MEETING will be held by members of Zonta Club at the home of Mrs. Irene Shreck Thursday, January 23, at 8 o'clock. The program will be a book review by Mrs. Georgia Coyle.

FOR THE MEN

ANNUAL MEETING of the Chamber of Commerce will be held Thursday, January 23, at 4 p. m. in the Chamber offices, at which time results of the election of directors will be announced. The new Board will organize on January 30th with election of officers who will be

introduced to the membership at the February 5th banquet.

K. OF C. TOPICS

A roller skating party will be held for members and their guests this Saturday at the Sheffield rink, beginning at 7 o'clock. Children of members attending must be 7th grade age or over. Following the skating party, lunch will be served in the Warren council rooms.

Regular council meeting will be held Thursday, January 23, at 8:30. The First Degree will be exemplified, and candidates must be in the council rooms at 7 o'clock. The committee announces that an "extra special" lunch will be served, and a large turnout of members is hoped for.

Attention is called to a change in schedule in the 1958 program of activities. The husband and wife communion breakfast scheduled for January 26 has been changed to February 2. Mass will be at 8 o'clock in St. Joseph's church, followed by breakfast in the K. of C. rooms. Miss Frances Maher, supreme regent of the Catholic Daughters of America, will be one of the guest speakers.

Reservations should be made early by calling the club rooms, 9816, Sam Gerardi, 1245-W, or Thomas Musante, 364.

JAYCEE BOSSES NIGHT BANQUET will be held in Beaty school cafeteria Tuesday, January

21, at 7 p. m. Harold E. Stassen, possible contender for the Republican nomination for Governor, will be the guest speaker.

The Distinguished Service Award Plaque will be presented to the young man judged outstanding in the field of community service during the past year at the dinner meeting. A reception for Mr. Stassen, by the Jaycees and their bosses, will be held at the American Legion preceding the banquet. The dinner is open to the public.

Tickets are available at the Warren Drug Store, United Cigar Store, and B & B Smoke Shop. Reservations must be made by Monday, January 20.

THIRTY-SEVEN HOMEMAKERS representing 19 Extension homemakers groups in all sections of Warren County attended a leader training meeting on cake decorating at the Penelec demonstration center last Thursday.

Mrs. Dorothy Hall, of Corry, a professional cake decorator, was in charge.

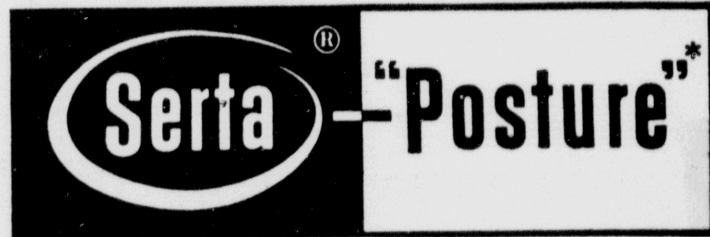

During the afternoon the leaders present worked in groups of two practicing on cake pans and within a few weeks will conduct decorating meetings for their own groups.

Pictured is a large portion of the group present.

LAVERNE BENEDICT

OYF CANDIDATES

The announcement of Warren County's "outstanding young farmer" will be made at a recognition dinner to be held at 7:45 p.m. Monday, January 27, at the Penn Laurel Motel in Warren.

Of those nominated to receive this Jaycee award, the following six have accepted and filed the proper forms: Myron Ludwick, Sugar Grove; Laverne Benedict, Pittsfield; John Nordine, Russell; John Berkebille, Kinzua; David Anderson, Russell; and Marshall Danielson, Pittsfield.

The contestants have been judged and the top award will go to the young farmer who has made the greatest progress in his agricultural career, used the best practical soil and natural resource conservation, and played the most responsible and contributing role in community affairs and betterment.

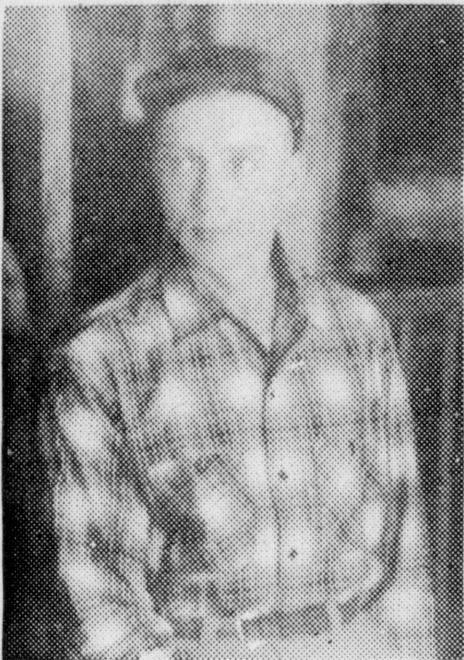

Guest speaker for the January 27th occasion will be Dr. Fred R. Robertson, Jr., professor of agricultural economics extension at the Pennsylvania State University. The Jaycee project chairman is Chuck Thomas.

TE LA DI O

COMING & GOING

HARRY S. TRUMAN will be the subject of Edward R. Murrow's "See It Now" presentation on Sunday, February 2 from 5 to 6 p. m. on the CBS network. The former President will offer his memoirs and personal opinions in a filmed interview called "From Precinct to President". Mr. Murrow spent a week with the Trumans at their Florida vacation spot about a year ago to collect the material for the interview.

RUMPELSTILTSKIN, second of the live presentations in NBC-TV's new series, "Shirley Temple's Storybook", will be given Sunday, February 2 at 6:30 p. m. Stage and screen star John Raitt will portray the young king, Shai K. Ophir will be cast in the title role. Other roles will be portrayed by Phyllis Love, Kurt Kasznar and Jonathan Harris.

EVE ARDEN's show on CBS may be dropped by its sponsor in mid-March.

COURT OF LAST RESORT, crime detection series, is to be canceled effective April 4.

OSCAR AWARDS will be simulcast on NBC-TV and Radio on March 26.

BELL SYSTEM SCIENCE SERIES will present another show on NBC-TV Wednesday, February 12 at 9 p. m. This will be called "Unchained Goddess" and deals with the study, analysis and forecast of weather by scientific means.

"LA PERICHOLE", the popular comic opera by Jacques Offenbach, will be presented on Omnibus Sunday, January 26, 4-5:30 p. m. The 90-minute English translation will star Cyril Ritchard, Laurel Hurley and Theodor Uppman. Omnibus arranged with Metropolitan Opera Assoc. for the production.

DEAN MARTIN's second show of the season will have Frank Sinatra and Danny Thomas as guests when it hits the NBC network on Saturday, February 1, 9-10 p. m.

WEEK'S HIGHLIGHTS

BOB HOPE SHOW, filmed during the Hope troupe entertainment tour of GI installations in the Pacific area, will be seen at 8-9 p. m. Friday night on NBC-TV. Guest stars will be Erin O'Brien, Jerry Colonna, Hedda Hopper, Carol Jar-

vis and Les Band and His Band of Renown.

YOUNG PEOPLE'S CONCERTS of the New York Philharmonic, the first of four once-a-month concerts, presents "What Does Music Mean?", direct from Carnegie Hall in New York City. Leonard Bernstein, internationally-known composer, conductor and pianist will be musical director of the program. CBS-TV.

UNIVERSITY OF BUFFALO ROUND TABLE will discuss "Modernizing the County Government" at 7:00 Saturday night on WBEN-TV.

CONQUEST at 5 p. m. Sunday on CBS stations will tell the exclusive story of Dr. H. Julian Allen, aerodynamicist and chief of the high speed research division of the Aeronautical Laboratory of the National Advisory Committee for Aeronautics. It will report his battle against space, and how his relentless research solved the massive re-entry problem which had been the major stumbling block to successful missile recovery.

20TH CENTURY at 6:30 p. m. Sunday on CBS outlets will relate the "dress rehearsal for World War II", in which Nazi, Fascist and Communist forces clashed on the bloody soil of Spain in "War In Spain", Walter Cronkite as host.

WISDOM SERIES, at 2:30 Sunday afternoon on NBC-TV, will present the noted electrical engineer, Dr. Vannevar Bush, who will discuss America's role in international competition in science leadership. He will stress the need for new techniques in science education.

LOOK HERE, NBC-TV at 3:30 Sunday afternoon, will bring host Martin Agronsky in an interview with the poetic humorist Ogden Nash.

MEET THE PRESS, at 6 p. m. Sunday on NBC-TV, will present Major General Bernard A. Schriever, commander of the Air Force ballistic missile program, in an interview with leading newspapermen.

ED SULLIVAN'S SHOW, 8 p. m. Sunday on CBS, will have Mario Lanza singing from a scene in the made-in-Italy movie "Seven Hills of Rome".

WIDE WIDE WORLD hooks into a closed-circuit television system at a Navy launching site in California Sunday afternoon (4-5:30 on NBC-TV) in a timely and highly interesting program called "Missile Men". Three top authorities on the nation's missile effort, from the Army, Navy and Air Force, will participate.

UNITED REPUBLICAN DINNER, 9:30-10 p. m. Monday night on NBC-TV, will be telecast from Chicago and will feature an address by President Eisenhower.

MD INTERNATIONAL, filmed hour-long report of U. S. doctors serving in far corners of the world, will be shown on March of Medicine at 10:00 Monday night.

BRIDGE OF SAN LUIS REY, DuPont Show of the Month on CBS, will be seen at 8:30 Tuesday night. Starring will be Judith Anderson, Hume Cronyn, Viveca Lindfors, Eva Le Gallienne, Rita Gam, Kurt Kasznar and Theodore Bikel.

PLAYHOUSE 90's next presentation, Thursday night, January 23 at 9:30 on CBS, will be Richard Kiley, Kim Hunter and Colleen Gray in "Before I Die".

SPORTS TO BE SEEN

BOXING - Harold Johnson will meet Bert Whitehurst in a 10-round heavyweight bout Friday night at 10:00 on NBC-TV and Radio's Cavalcade of Sports. The match will come from Syracuse War Memorial Auditorium.

BASKETBALL - The NBA Pro game between Detroit Pistons and St. Louis Hawks will be televised by NBC at 2 p. m. Saturday.

HOCKEY - CBS will bring the match between the New York Rangers and the Chicago Blackhawks, at 2:00 Saturday afternoon.

BOWLING - All-Star bowling finals, national tournament, will be seen Sunday evening at 9:00 on WGR.

RACING - NBC-TV and Radio will bring seven weeks of racing from Hialeah on Saturdays beginning January 18. The half-hour telecasts from Miami, Fla. will come at 4:30-5 p. m. Saturday's race will be the Hibiscus Stakes, 3/4 mile for three-year-olds only, \$20,000 added purse. WBUF will carry this weekly event.

NBC SPORTS SPOT replaces Red Barber's Corner as the Friday night post-fight program on NBC-TV beginning last week. An outstanding sports writer or sportscaster will occupy the editor's chair on NBC Sports Spot each week and will have a prominent sports personality as his guest.

From 12:55 to 1:10 p.m. Saturdays listen in on the Outdoor Program of the Warren Field and Stream Club. You will hear many interesting aspects of life in the forest from such woodsmen as (l. to r.) president Bud Jones, past president and county delegate Bill Brooker, and membership chairman Lyle Snavley.

WINGS OF GOLD. Navy Ens. Richard M. Nelson (r.) has his "Wings of Gold" of a Naval Aviator pinned on by Marine 1st Lt. Alexander Cocalis, a flight instructor, at the Naval Air Station, Pensacola, Fla.

The son of Mr. and Mrs. Joe M. Nelson, Pittsfield, he received his wings December 4 after 10 weeks of advance training and 200 hours of flight time.

Before entering the Navy in July, 1956, Ens. Nelson attended Lock Haven State Teachers College.

Jan. 23 -- Lutheran 2 vs. Grace, Grace; St. Paul's vs. Lutheran 1, Baptist; Holy Redeemer vs. St. Joe's, First Methodist.

Television and Radio

By John Crosby
SHIRLEY TEMPLE RETURNS

Shirley Temple, a dark-haired old lady of twenty-nine years, opened her new "Storybook" TV program singing a song called "Dreams Are

Made For Children" which is certainly an apt theme for this series of sixteen fairy stories.

The first program was "Beauty and the Beast" with Claire Bloom and Charlton Heston as a monstrous but poignant Beast. It was live and in color from NBC's color city in Burbank, and in all respects, they shot the works. The production was altogether sumptuous. I don't know that I've ever seen so elegantly turned out a beast as Mr. Heston in his yellow brocade court costume or as winning a Beauty as Miss Bloom in her white ball gown which was virtually the only dress she owned.

There aren't really a great many people in "Beauty and the Beast" but all of them were well cast. E. G. Marshall was wonderfully earnest as the Beauty's anguished father and even Barbara Baxley and June Lockhart as the selfish sisters were much more attrac-

tive than the author had in mind. And the castle with its sweeping staircase and battlement and huge fireplace was the very quintessence of Never Never Land.

In fact, I fell to thinking, this story is a sort of distillation of all fairy stories. Take that original situation. A man is wandering in the woods, lost in a blizzard, hungry, cold, exhausted. Suddenly a castle looms, inside, warmth, luxury, food, emptiness, and mystery. The guy eats his fill and then falls asleep. (Just think of all the fairy stories that start with someone entering an empty cottage or castle, eating his fill and falling asleep. (Goldilocks and Snow White are just starters.)

The next morning, enter the monster and big trouble. There's always big trouble when you eat the food or pluck the rose that you find deep in the forest. Joseph Schrank, who adapted the Madame Le Prince de Beaumont story, and Miss Bloom and Mr. Heston, played the thing very straight. I loved the sheer simplicity of the dialogue which went, as all fairy tale dialogue should, straight to the point.

"Will you marry me," asks the Beast. "Answer me yes or no without fear."

"No, Beast."

"Good night, Beauty."

"Good night, Beast."

And off goes the Beast to bed. No wasted word there. Similarly, when the Beast turned into a handsome young prince and Beauty stared at him in bewilderment, explanation was needed and I was enchanted by its brevity and conciseness.

"A magician cast a spell on me," explained Mr. Heston. "I was impolite to him. I'm afraid I was impolite to everyone."

It was all perfectly played and staged. My only complaint, a very small one, is that an hour was perhaps a little too long for this simple tale. It's nice to welcome Miss Temple back to show business after all these years. She is as pretty and charming as ever, and I just wish she had a little more to do.

There's no doubt about it that in this year of grace 1958, the

Join THE MARCH OF DIMES

*They need
YOU!*

THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS - FRANKLIN D. ROOSEVELT FOUNDER

Youngsville National Bank

television industry can produce a fairy tale with great charm and authority and attention to detail. In fact, it probably does fairy tales better than it does anything else. But the nagging question persists: SHOULD it do this better than everything else? In this year of Sputnik and general alarms and excursions, there is something frightening about the thought of 30,000,000 Americans staring transfixed at an exquisitely mounted and beautifully played fairy tale.

It reminds me of those Russian novels where the children are doing charades in the drawing room, as the elders applaud indulgently. Then the pale hussar enters: "Napoleon has crossed the Borzhnevitch. This is war!"

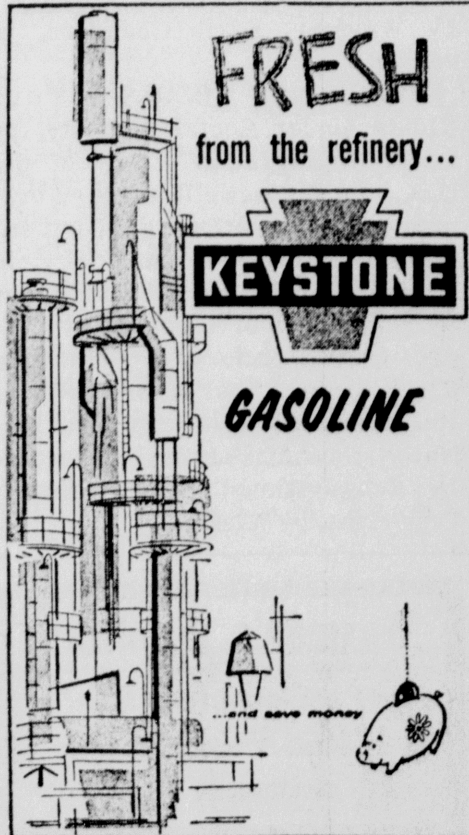

Still, I'll be watching the next one, along with the rest of you guys, on Feb. 2 when Miss Temple will introduce "Rumpelstiltskin."

JAYVEES WIN FIFTH GAME,
EDGE FRANKLIN JV'S, 51-49

A last quarter rally by the Franklin junior varsity was stopped short by the Blue and White reserves last Friday night when Warren shaded Franklin, 51 to 49. The win was the fifth in six games for the Warren reserves who dropped their opening game to the Northern Area JV's, a team they downed in a return game.

Mike Cashman and Johnny Barr paced the little Dragons with 15 and 10 points.

DRAGONS UNSEAT KNIGHTS,
WIN FIRST LEAGUE CONTEST

Playing good team ball and using a 3-2 zone and a man to man defense to slow down the Franklin attack, the Warren Dragons defeated Franklin, 68 to 56, in their first league game last Friday night. The game was the Dragon's first in the race for the Section II, District 10 crown, a goal which has been out of the reach of Warren high school cage teams since the 1947-48 season, ten long years ago.

The starting combination of Nick Monroe, Jack Karkosky, Nicky Creola, Bill Brumagim and Don McKelvy proved most effective for the Dragons who gained control of the boards most of the game. A zone defense thrown up by the visiting Knights slowed down the Dragon attack in the early minutes of the final period but the Dragons soon took charge of the game again and the reserves finished the contest.

Jack Karkosky paced the Dragon attack with 20 points. Nicky Creola and Nick Monroe contributed 14 points each.

Tomorrow night the Blue and White travel to Corry for their second league game and next Tuesday go to Bradford.

BEATY BASKETBALL

The two way tie for first place in the Chadakoin basketball circuit will be broken in Jamestown tonight when Beaty plays Washington. Both squads have won their two Chadakoin league games.

Last Friday the Beaty five broke loose in the second half and downed winless Lincoln, 42 to 36. Beaty trailed by two points at halftime but outscored their opponents in each of the final quarters.

High men for Beaty were Dave Frantz with 11; Jerry Wilson, 10; and Jim Redding, 9.

A scheduled game between Beaty and Jefferson last Tuesday night was postponed because of slippery road conditions and will be played next Tuesday, January 21, at Beaty.

Y JUNIOR LEAGUE

The Celtics and the Hawks continued the battle for the top spot in the YMCA Junior basketball loop during the week.

The Hawks tripped the Warriors, 36 to 34. Wendelboe hit 13 points for the winners and Gallagher scored 12 points for the Warriors. On Saturday the Hawks clawed the Knicks, 42 to 30. Bliss hooped 14 points for the Hawks and Haer racked up 10 points for the Knicks.

The Celtics outlasted the Warriors, 35 to 32. Vavala dumped in 18 points for the Celtics and Massa led the Warriors with 14 markers.

YMCA CITY LEAGUE

With only two more nights of activity remaining on the schedule,

the Y-Five and Greenes are tied for first place in the Y City basketball loop. Both teams have won 7 and lost 3. Should the two teams remain deadlocked after tonight's action, the first half championship will be decided when the two teams square off in the 7 o'clock game on the Y court next Monday night.

Guiffre's and the Y-Five racked up the only wins in league action during the week. Guiffre's nipped K. of C., 58 to 56, in an overtime contest last Thursday. Dick Danielson scored 21 points for the winners and Ed Lindberg tallied 19 points for K. of C.

In their second outing, Guiffre's outpointed Greenes, 62 to 58. Jerry Leonard hit 14 for Guiffre's and Bob Schenck was high man for Greenes with 17 markers.

The Y-Five dumped Greenes, 76 to 72, with Ed Rickerson contributing 27 points to the winning cause. Bob Schenck scored 28 points for Greenes. A good third quarter gave the Y-Five a 78 to 74 decision over the K. of C. Wink Rickerson bombarded the orange circle for 38 points for the Y-Five. Bob Wolfe and Ed Lindberg notched 24 points each for the Knights.

GRA-Y ACTIVITY

First half champion North Warren moved off to an early lead in the second half race with a pair of victories during the week. They downed Jefferson, 18 to 12, in their first game. Loomis, North Warren, and Smith, Jefferson, were top scorers with 6 points. North Warren then tripped Sugar Grove, 18 to 14. Chase hit 9 points for the winners and Porter collected 8 Sugar Grove tallies.

McClintock clubbed Lacy-South, 52 to 9. Johnson paced McClintock with 20 points and Thompson hit 6 for Lacy-South.

Home Street whipped Russell, 34 to 6. Sargent tallied 14 points for Home Street. East Street downed Russell, 33 to 4, with Lawton picking up 14 points for the winners. Briggs scored all 4 points for Russell.

STYLE SHOP DOWNS DUNKIRK
IN CHAUTAUQUA LEAGUE GAME

Warren's Style Shop racked up its fifth win in Chautauqua County basketball loop action with a 93 to 74 verdict over the Dunkirk McMachon Points in a game at Dunkirk last Friday. The Stylers are unbeaten in league play.

Reversing the form of their previous games, the Warren five jumped off to a lead at the end of the first quarter and were never headed by their hosts. Dave Berdine led Style Shop scorer with 22 points. Ed Rickerson chipped in 20 counters.

DRAGON WRESTLERS PIN
OIL CITY FOR FIRST WIN

Aided by the Christmas vacation which they used to improve their wrestling techniques, the Warren High School grapplers overwhelmed the Oil City matmen, 38 to 6, at Oil City last week. The win was the first in three outings for the Warren wrestlers.

Blue and White wrestlers racked up five pins and four decisions. Freshman Jim Johnson (95) scored his team's only first period fall. Other Warren winners by virtue of pins were Larry Campbell (103), John Colvin (127), Jim Tinelli (133), and Denny Platt (138).

Decision winners for the Dragons were Tom Valone (112), Gail Page (120), B. Long (145) and Ron Bowen (185).

The Warren J. V. wrestlers overpowered the Oil City reserves, 24 to 8. Mike Long racked up a pin for the junior Dragons and Tom Sleeman, Steve Pearson, Ron Seder,

Dick Campbell, Dick Kells, John Mead, Roger Ruud and Jake Shulman copped decisions.

Tonight the Warren wrestlers travel to St. Marys.

CHURCH LEAGUE - JUNIORS

Three games were reported during the week. St. Joseph's clobbered First Lutheran #2, 65 to 9. Pat Hartnett's 29 markers were high for the winners and Denny Hahn hooped 4 points to lead the Lutherans.

Holy Redeemer finished strongly to whip First Lutheran #1, 52 to 39. J. Depto paced the Holy Redeemer attack with 23 points and Fred Haer was high for the Lutherans with 19 points.

First Lutheran #1 took advantage of a bad first quarter and stopped Grace Methodist, 35 to 32. Fred Haer hit 20 for the winners and Bill Berdine was high for the Methodists with 10 markers.

CHURCH LEAGUE - SENIORS

Unbeaten Grace Methodist #1 chalked up two victories during the week to remain at the head of the pack in the Senior division of the Church basketball circuit.

In an overtime contest, they nipped First Baptist, 55 to 54. Corky Carlson hit 17 and Jim Ostergard 16 for the winners. Dick Terry pumped in 22 markers for the Baptists.

Grace Methodist #1 downed First Presbyterian, 51 to 42, in their first game of the week. Corky Carlson scored 21 points for the winners and Larry Lawton hooped 18 points for the Presbyterians.

St. Joseph's also racked up two wins in league play. They toppled Grace Methodist #2, 63 to 48. John Gleason scored 16 of the winners points and Dick Kyler found the orange rim for 21 Methodist points. In a high scoring contest, St. Joseph's walloped First Presbyterian, 80 to 55. Hartnett hit 28 for the winners and Larry Lawton paced the Presbyterians with 20.

First Baptist whipped First Methodist, 59 to 46. Dick Terry hit 25 points for the Baptists and Jack Carter led the Methodists with 11 markers.

Grace Methodist #2 rounded out the week's action with a 56 to 27 decision over First Methodist. Dick Kyler poured 28 points through the nets for the winners. Arnold collected 15 points for the First Methodists.

AREA CAGE ROUNDUP

WARREN COUNTY -- Warren clipped Franklin, 68 to 56; Youngsville whipped Tidioute, 69 to 37, and dropped Union City, 52 to 44. Northern Area downed West Forest, 65 to 2, and bested Falconer, 66 to 40. St. Marys took Sheffield, 65 to 47,

A LARGE AUDIENCE was on hand for the YMCA Industrial Management Association meeting at Beaty this week when the Do All Company of Des Plaines, Ill., exhibited materials concerning the "Story of Measurement".

By means of a lecture and exhibit, C. F. Schelly, director of educational research for the company, explained thoroughly the history of measurement.

Shown in front of some displays at the meeting are (l. to r.) Harry King, Bob Newman, Mr. Schelly, IMA President James Ryan, Fred Harman, and "Y" secretary Julius Thorn.

and Oil City St. Joseph blasted Tidioute, 66 to 44.

SECTION II -- In league action Meadville won its 46th consecutive loop game in its quest for its eighth straight league title with a 61 to 34 triumph over Corry. Warren clipped Franklin, 68 to 56, and Titusville upset Oil City, 50 to 31. In non-league play, Meadville blasted Erie Academy, 57 to 33, Oil City stopped Rocky Grove, 61 to 40, and Titusville stopped Cranberry, 57 to 40.

UPPER ALLEGHENY -- Youngsville whipped Tidioute, 69 to 37, Northern Area downed West Forest, 65 to 32, and East Forest outpointed Pleasantville, 50 to 42. In non-league play, Johnsonburg whipped East Forest, 79 to 55.

ALLEGHENY MOUNTAIN -- St. Marys took Sheffield, 65 to 47, Johnsonburg dropped Ridgway, 44 to 38, Port Allegany blasted Emporium, 74 to 39, and Smethport outscored Otto Township, 41 to 28. In non-league play, Emporium beat Austin, 63 to 40, Coudersport defeated Otto Township, 60 to 53, Port Allegany took Bradford St. Bernards, 55 to 36, Kane clipped Ridgway, 58 to 52, and St. Marys Catholic outscored St. Marys, 62 to 50.

ERIE -- McDowell got past Academy, 58 to 46, East shaded McDowell, 59 to 56, Prep whipped Tech, 65 to 49, Harborcreek nipped Tech, 54 to 52, and Strong Vincent jumped over East, 77 to 55, and blasted Jamestown, 85 to 59.

OTHERS -- Bradford dumped Curwensville, 44 to 27, Punxsutawney took Kane, 46 to 29, and Phillipsburg was 50 to 44 better than Dubois. Clearfield rocked Brookville, 64 to 40, Brookville turned back Reynoldsville, 48 to 43, and Altoona jumped on Punxsutawney, 56 to 42.

Farrell beat Ambridge, 55 to 47, Sharon whipped Aliquippa, 54 to 47, and turned back Midland, 52 to 32. Sharpville nipped Greenville, 50 to 49, and Hickory bested Sharpville, 52 to 40. Mercer edged Greenville, 54 to 52, and Jamestown clubbed Southwestern, 69 to 47.

BOWLING

BOWLING HI-LITES

Art Check's 620 in the Commercial loop topped Warren kegglers during the past week. Lee Munch paced the Merchants league with 602 and Lou Vizza's 593 was high in the Industrial circuit. Pete Juliano led the Men's City with 586.

Other league leaders were John Salamon with 238 and 569 in the K. of C. American; Minor Snarburg, 560, Sylvania; Busty Pintagro, 558, Junior Industrial; John Martin, 523, Penn Junior; Joe Musante, 517, K. of C. National and Clarence Lindell, 444, Arcade Junior.

In the mixed loops, John Carbon's 522 and Caryl Peterson's 395 paced the Tuesday nighters. Ernie Wilson and Fritz Rieder with 545 and Marge Larson with 488 topped the Friday night circuit. In the Metzger Wright league, Walt Jensen hit 446 and Teresa Brindis hit 367.

ALL-STAR FINALS

The finals of the all-star match game bowling championship, the seventeenth to be sponsored by the bowling proprietors association, will be seen on television, Sunday night, from 9 to 10. It is on ABC, and will replace Starlight Theatre on WGR out of Buffalo. They will be shooting for \$36,000 in prize money. Don Carter is the defending champion among the field of 192. Marion Ladewig defends her title against a field of 96. John Geraci, of Jamestown, is shooting in the early rounds.

Millie Baldensperger topped the ladies with 210 and 544 in the Ladies City loop. In the same league, Donna Smith hit 535, Neva Ladner rolled 202 and 513, and Rose Juliano and Marge Larson notched 513.

Martha Holtz led Peg's league with 529. Red Walsh paced the Ladies Major with 212 and 527, Barb Weiland hit 524, Mary Check had 209 and 520 and Helen Peters collected 500.

Other league leaders were Nancy Rose with 433 in the Ladies Minor, Ann Tassone with 424 in the Ladies Class C, and Aurelia Crecraft with 415 in the Cosmetologist loop.

Be not simply good. Be good for something.

EDGAR B. PENDLETON

JOHN MALLERY, JR.

Warren County was one of the 33 Western Pennsylvania counties to be represented at an American Cancer Society workshop held in Altoona January 10-11.

Attending from here to help in preparing for the April Crusade were Edgar B. Pendleton, local campaign chairman, and John Mallery, Jr., co-chairman. Studied by the officials at the workshop were the fields of education, research program and crusade.

COMING UP . . .

BOSSSES' NITE—STASSEN

Another blurb on the Jaycee Bosses' Night to be held at Beaty cafeteria at 7 p.m. next Tuesday evening.

Read Things To Come, forget the "for the men" and note that this banquet is open to the public (and this includes ladies).

Also, reservations can be made by merely calling Beaty Jr. high school, phone 2462.

The speaker is Harold E. Stassen, and the deadline is Monday.

NIGHT SCHOOL

Registration for the Pennsylvania state University evening classes in Warren will be held at the high school January 27 and 28 from 7 to 9 p.m.

The courses are being offered in cooperation with the university, the Warren Area Chamber of Commerce and the Jaycees.

LADIES' NIGHT

The next meeting of the Industrial Management Association will be a Ladies' Night Dinner at the YMCA on February 10. The Rev. Herbert Harrison, Olean, N.Y., will discuss "The Wife's Part in the Management Team".

YMCA SPEAKER

George Furman, of the building and furnishings service of the National Council of the Young Men's Christian Association, will speak at a joint meeting of the Warren YMCA's directors and trustees at 5 p.m. Monday, January 20.

SCHOLARSHIP EXAMS

High school students should note the state scholarship examination will be held on Friday, April 11th, this year. Eighty scholarships, each valued at \$200 per year, are to be awarded for use in any approved Pennsylvania college or university. Interested? Register in the guidance office.

And, students planning to take the College Boards in February are reminded applications must be in New Jersey by this Saturday, January 18.

County Vital Statistics

WEEK OF JANUARY 9 - 16

Play Time

DRAMA - TV - RADIO - MUSIC - READING - HOBBIES

THE MITES BECOME MIGHTY

One of the few sports where luck plays a major roll and the average performer can have a big day at the expense of the "pros" is bowling. It is this high scoring possibility and the constant hope of coming through with a better average or a big night that keeps the pin-slappers coming back.

Back in 1927 the national ABC tournament was won by a team which could not average more than a 900 average for its league record. It was the Tea Shops five of Milwaukee. Its "day" came when it really counted in dollars. A game of 1186, which still is a tournament record, gave it a total of 3199 for top money.

But even in years when a low average team does not come through for the first place award, the pay-off goes so far down the line that most good teams, or even average teams have a good chance of coming home with something.

A team score of 2696 should get you about \$25 and that would be far down the line. In singles a 571 probably would return you \$5, and in doubles a score of 1085 would get you back \$10. In fact, a doubles score of 1200 could win \$100.

And the booster division pay-off can go as low as 2630.

When scores of this calibre pay off in the national tournament where thousands compete, it is obvious that here is a game for the average guy or gal. They can fall over their feet and still have their "nights".

The big one this year is being shot in Syracuse, very close by and worth the trip. You will be shooting in the national and you will see some of the best perform while you are not on the lanes yourself.

Deadline for entries is February 11, but we imagine those choice dates are slipping away quickly with each day.

A MONTH ON A RAFT

The Western Pennsylvania Historical Magazine's fall issue consists of a rafting journal kept by Theodore Putnam who lived in the Russell area in 1859 and was aboard what many believe was the largest lumber raft ever to make the trip down the Allegheny. The rafting diary was found by Mrs. Clinton M. Lewis in her attic about a year ago and was edited for printing by Ernest C. Miller, noted for his work in historical research.

The raft left March 17 and arrived in Louisville, Kentucky, April 17. Mr. Putnam was twenty-five when the diary was kept and was not a professional raftsman. The trip was a tough one because of the raft's unusual size (690,000 board feet) and freakish weather. The raft teamed up with two smaller ones also comprised the largest

combination to be seen on the Ohio river.

Warren county at that time was the largest lumber producer. The combination of circumstances and historical fact make the diary of special interest. It was printed through the consent of Harold C. Putnam, the present owner, and his aunt, Mrs. Lewis.

FRIEND OF STRAUSS

Those who attend the concerts given weekly by the Pittsburgh symphony orchestra, and perhaps some who have not been making the trip, should be interested in the January 25 and 26 programs. Making his debut will be Dr. Karl Boehm, leader of the world famous Vienna State Opera, who will conduct the Pittsburgh group on those days.

Dr. Boehm was a close friend of Richard Strauss who left his entire artistic legacy to the noted conductor and dedicated the opera "Daphne" to him. Dr. Boehm also is the possessor of the ring of honor of the Vienna Philharmonic orchestra which was the most treasured possession of his friend, Strauss.

Dr. Boehm will conduct the Pittsburgh Symphony in performances of Mozart's Symphony No. 34 in C Major; Hindemith's Symphonic Metamorphosis of Themes by Weber, and Brahms's Symphony No. 2 in D Major.

Tickets for these concerts can be obtained from Kaufman's, Gimbels, and Hornes.

BELL RINGERS

An unusual kind of instrument, so rare that there is no music written for it, and dating back about three hundred years, will be played in

Warren St. Paul's Lutheran church Sunday, at 4 p.m. when the Jamestown Bell ringers will be heard. Their music will be augmented by a vocalist, a violinist, a pianist, and an oboe(ist?).

The Jamestown group last November received its new set of Dutch handbells. Previous to that it had played for a year and a half on a set of English handbells loaned by a Jamestown church.

Though carillonneurs usually are thought of as Swiss, it was the English who invented the art, probably to avoid disturbing the populace with practice sessions by their church tower bell ringers. The British go for the tower bells, having over 5,000 sets, as contrasted to the 54 sets in the rest of the world. The hand bells made it possible to practice without too much clamor.

English handbells are more hollow and less brilliant than the Dutch bells, which are heavier because of their design and produce a pleasing overtone that subdues the ringing of intermediate tones and results in the characteristic "bow" sound of the famous bow bells of London.

The Jamestown group has written and arranged its own music and now has over fifty numbers in its

OUTDOORS

NOT SO GOOD

If the tentative dates announced for hunting seasons next fall are not changed, and unless a vast decrease or increase in the supply occurs they probably won't be, the hunters will not enjoy as much pleasant October hunting as was possible this past fall. The small game season is not being separated into two groups, farm area and woodlands, as it was last year. Instead, all small game will become legal October 25.

This is a week later than it was for grouse, turkeys, and squirrels in 1957. Though the weather this past fall was not as ideal in late October as it usually is, certainly the days were far milder than they ordinarily are in November.

It is a pleasure to be in the woods and fields during October even if the game score is low. In November it often is tough enough to make it seem like a day's work and a waste of effort if nothing is brought home, a result which is not so likely in October.

NOT PROMISING

About the time the Warren Chamber of Commerce was announcing that it was appealing to the Pennsylvania Fish Commission for the reconstruction of the dam at Columbus, the Commission was deciding not to do anything about it. So says a release which came out early last week.

Though the Warren Chamber revealed that a resident of that area had agreed to make land available so as to provide public access to the resulting lake, the Commission says that physical, biological, and cost factors have not changed sufficiently to permit reconsideration of a previous decision not to build the dam.

FISHING ONLY

The Commission also approved for 1958 the same fourteen stretches of trout streams that were limited to fly fishing last year. The regulations will be the same. No additional areas have been named in this county.

MORE FISH

The trout fishing in 1959 may be better than ever. About 2-1/2 million trout are to be reared to catchable size for release in 1959. This exceeds the 1958 figure by a quarter of a million.

OTHER COMMISSION ACTION

The Fish Commission also expressed surprise that the federal excise taxes on fishing tackle yielded it less money, \$121,000, than the \$140,000 of last year. The U. S. Fish and Wildlife Service is being checked to see why Pennsylvania is receiving less, despite an increase in the number of fishermen and the rise of fishing tackle prices.

It decided to develop about twenty areas, now owned by the Commission, or leased, so that better ac-

Dr. L. W. Krespan, president of the Warren County Heart Association, announced today the appointment of Dr. Arthur A. Marceca as chairman of the 1958 Heart Fund campaign (February 1-28).

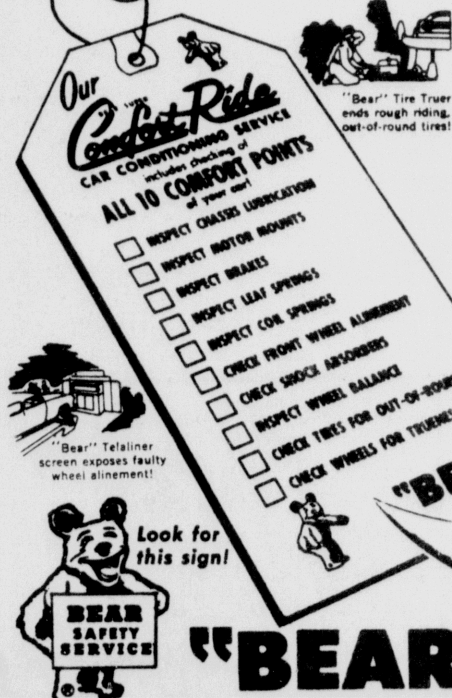

A vice president of the sponsoring Warren Lions Club, Dr. Marceca previously conducted the Daisy Sale for the Sight Conservation and Blind commtttee.

Contributions to the Heart Fund are used to support three major activities of the American Heart Association, its affiliates and chapters.

The primary activity is the support of research seeking the basic causes and controls of the cardiovascular diseases. Secondly, the association carries on an educational program to supply new scientific information to physicians and workers in related professional fields, and to bring essential facts about the heart diseases to the public. The third phase is to conduct community heart programs to protect healthy hearts and to enable heart sufferers to live useful, productive lives.

cess will result. This is one of the major problems involved in public use of lakes and streams.

It continued the prohibition of the use of minnows as bait in lakes that have been reclaimed for trout only.

It ruled that no fishing would be allowed from the breasts of dams on commission lakes. Damage to vegetation resulting in erosion and maintenance problems has been caused by thoughtless fishermen.

It claimed the Pennsylvania Federation of Sportsmen's Clubs and the Pennsylvania Division of the Isaak Walton League of America have approved the Commission's plans for using the funds resulting from increased fishing license fees.

FAST BIRDS

How fast do you have to be to get the bird? The Remington Arms Company has made a study of their flight and has come up with some unofficial estimates. The speeds, however, are of unmolested birds. When frightened they of course can wing-ding it at a faster clip. Here are the figures: Dove and plover, 34 miles per hour; curlew 38 m.p.h.;

quail, prairie chicken, ruffed grouse, jack-snipe, mallard, black duck, spoonbill, pintail, wood duck, pidgeon and gadwall, 41 m.p.h.; swan 45 m.p.h.; Canada goose and brant, 48 m.p.h.; green-wing teal, 79 m.p.h.; redhead 82 m.p.h.; blue-wing teal, 89 m.p.h.; and canvas-back 94 miles per hour.

Warren Firm To Be On Television Show

Sunray Products Corporation, of Warren, has been invited to participate in Drew Pearson's "New Horizon" television program which originates at 10:30 p. m. Saturday evenings over WABD-TV, Channel 5, in New York.

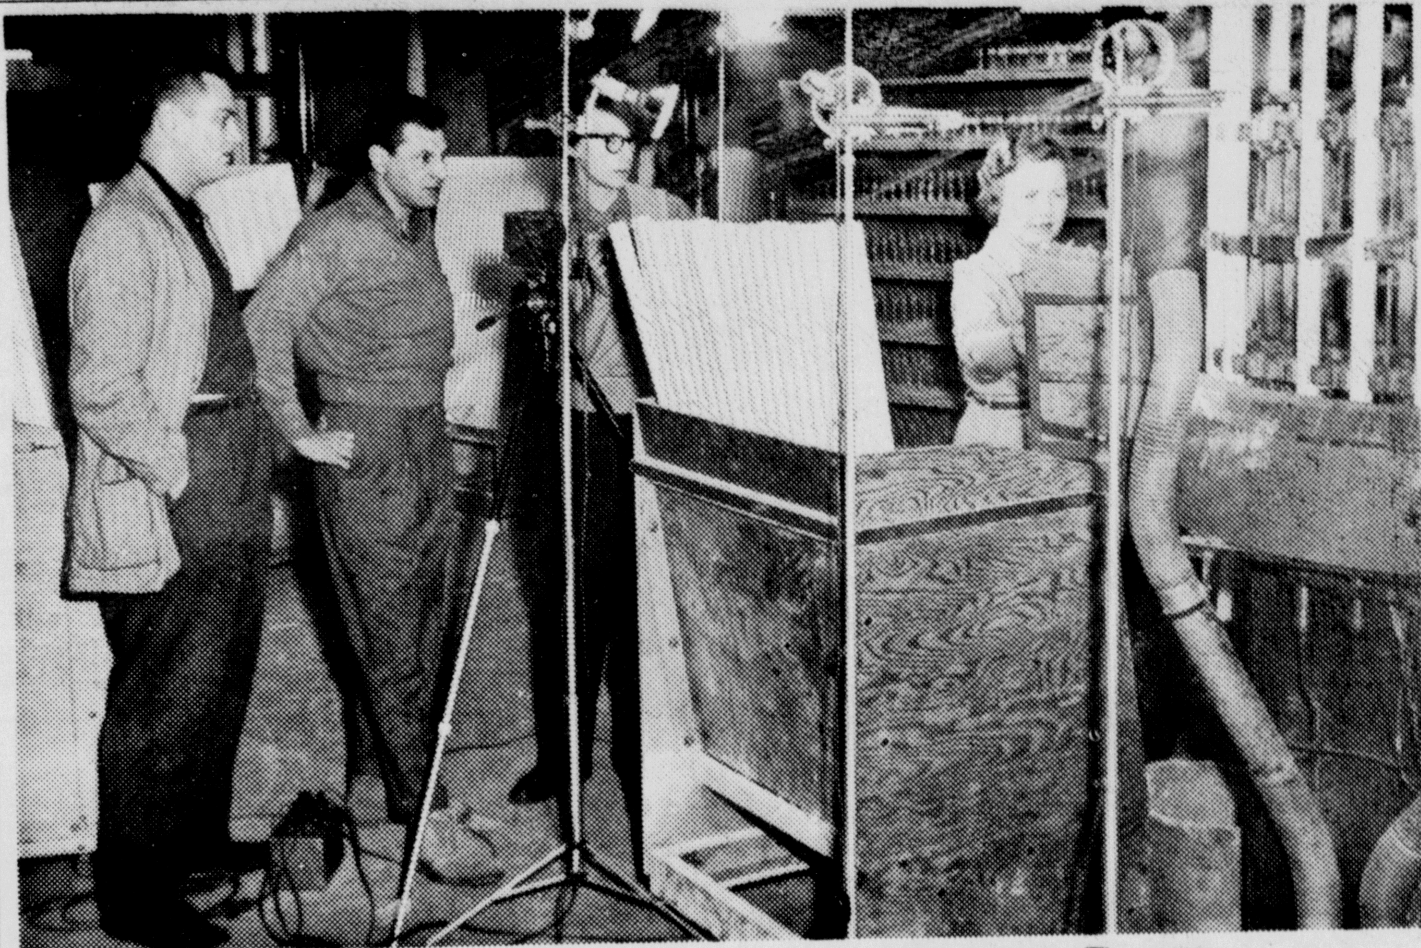

This program, primarily educational, depicts the success aspect of American business and gives the viewing audience an opportunity of learning about the men and industries which are contributing to the growth and welfare of our country.

Sunray Products was chosen as one of the three sales companies which distributes products made by two affiliated manufacturing plants in Warren -- Solar Electric Corp., manufacturers of incandescent

lamps, and Interlectric Corp., which manufactures fluorescent lamps. Besides Sunray, the two other sales organizations are Certified Electric Corp., Warren, and NuLite Corp., of Newark, N. J.

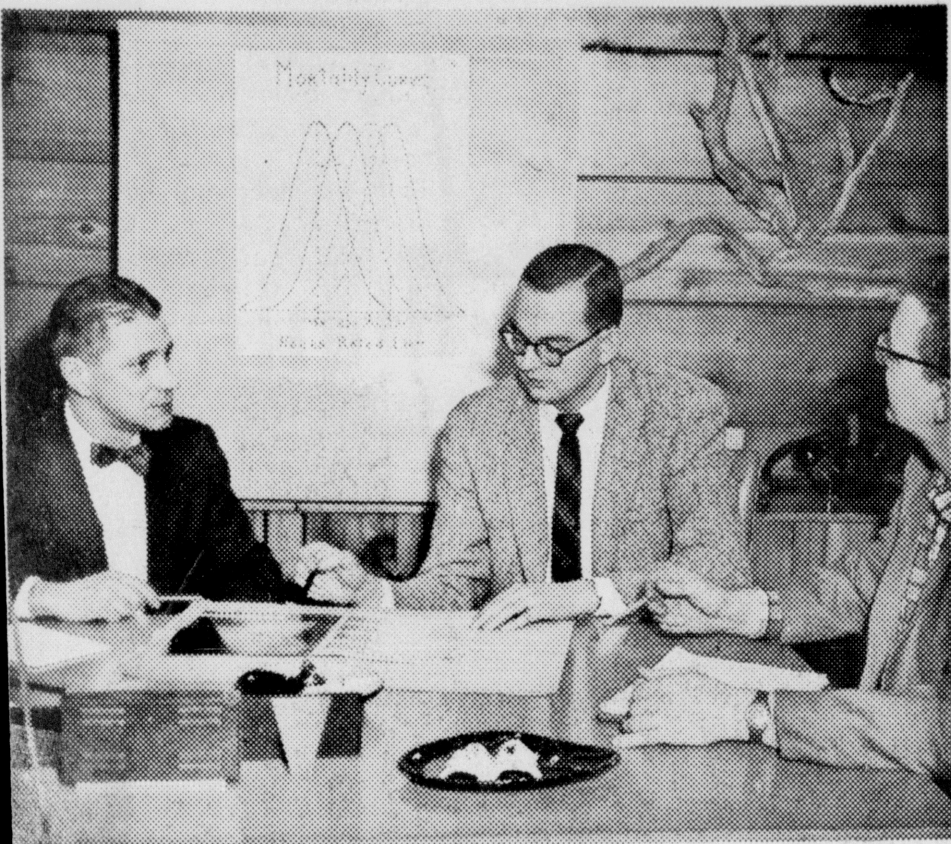

After its initial January 18th showing in New York, "New Horizons" is syndicated on other stations throughout the country. The date it can be viewed locally over Erie TV station WSEE (Saturdays at 4:30 p. m.) has not been released. However, it may possibly be January 25.

The pictures on this page were taken last week when a film crew was in Warren to take the documentary pictures of the manufacturing facilities for the TV show.

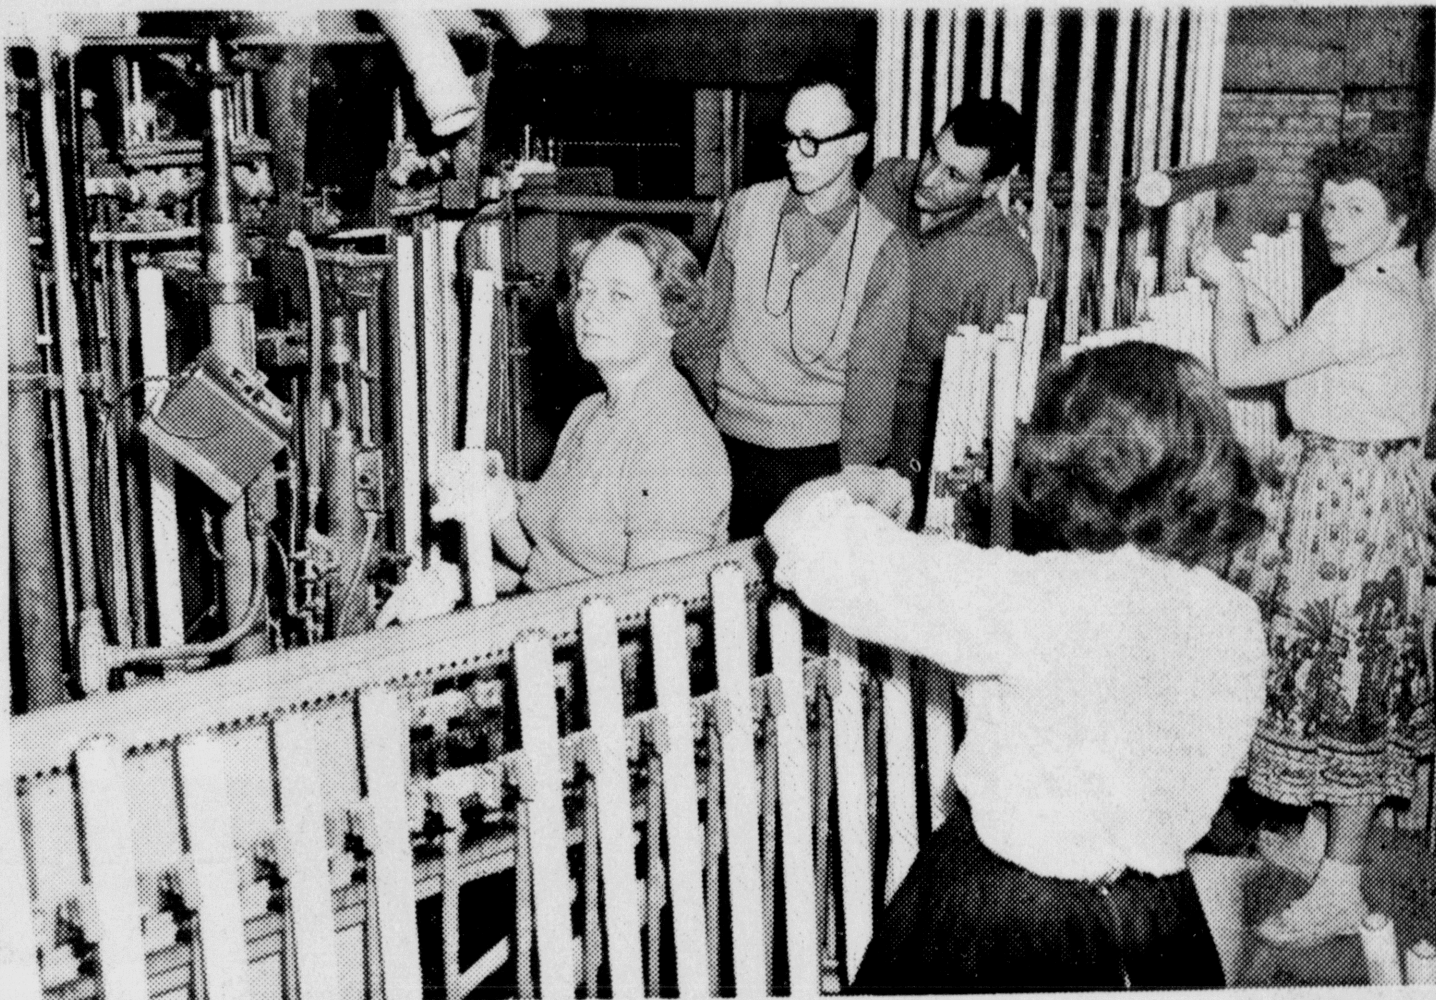

FILM CREWMEN from New York setting up for a shot of a sealing

machine at Interlectric. The operator is Gladys Brinkley, of Warren.

DISCUSSING SALES PROGRAM are (l. to r.) Stuart Nelson, Sunray president; William Houston, chief engineer of Interlectric; and Ed Farynowski, quality control engineer of Interlectric.

Mr. Houston, incidentally, along with production superintendent Paul Jackson, left for London, England, last week end to look over new machinery for their firm.

THE EXHAUST MACHINE was one of several processes filmed for the "New Horizons" show that local viewers will be able to see over Erie WSEE-TV.

Operators are (l. to r.) Elizabeth McMeans, Sally Courtney and Cora Briggs.

SUNRAY SALES STAFF in conference. Seen (l. to r.) are film crewman, Dale Allmendinger, Stuart Nelson, Robert Brown, Robert Wade, and George Rice.
